

A collage of seven images showing various computer hardware components. The images are arranged in two rows. The top row contains five images: a large LCD monitor displaying a blue screen, a white computer mouse with a black cord, a pair of white and grey speakers, a black vertical tower computer case, and a white computer keyboard. The bottom row contains two images: a black and grey mouse pad and a black and grey flatbed scanner. Each image is enclosed in a thin black border.
